

LOVE ♥ SHINE ♥ PLAY FESTIVAL

MISSION & VISION

Our Mission:

Compassionate activists raising the collective vibration through movement, community, conversation, nature, art and breath.

Our Vision:

To manifest a diverse yoga experience that welcomes everyone equally and to direct yoga's arrow to compassionate activism.

We do this by collaborating with people and organizations who are devoted to raising the collective vibration as activists and masters of their crafts.

For millennia people have looked to yoga for wellness, serenity, and self-acceptance

and to understand that everyone deserves these same things.

The Love ♥ Shine ♥ Play is an invitation to conscious connection and compassion, through practice, discussion, communion with nature & celebration.

Come join us; Love. Shine. Play.
